Post of Executive is not managerial. Hence effective work experience of candidate in managerial capacity is between 16.5.2013 to 12.6.2016, which is just over 3 years. Candidate does not have requisite managerial experience. Hence candidature of candidate stands rejected. Secondly, the candidate has falsely claimed that she had completed her MBA in 2009, but as per the documents submitted by her it is apparently clear that she has completed her MBA course in April 201: In this way regular MBA course and experience as HR executive are coinciding, which is not possible under any circumstance. Hence as per the condition mentioned in Para 12, sub para 7 of RFP, because of false claim of candidate for experience, her candidature has been rejected too. Thirdly, candidate's marks sheet of MBA needs further verification from the concern institute because of inherent ambiguity. She had passed 3rd & 2nd semester prior to 1st semester. Similarly she has quelified many papers in many semester in her 5th attempt. For this memo is being sent to the concern Institute.

8	Vikash Kumar, B1/i 2 nd Floor Janakpuri New Delhi 1 10058	AMS/0000073	points.	1. The candidate has produced statement of marks for post graduation, where specialisation or dual specialisation is not mentioned. As per the guidelines, all those certificates of MBA/PGDM where specialisation is not mentioned, there taking into consideration of subjects of 3rd and 4th semester on the basis of at least 40% of the subjects of the curriculum specialisation has been decided. Out of 14 subject of 3rd and 4th semester only 4 subject is related to curriculum of HR. Candidate fails to claim his specialisation in HR. Hence 10 marks awarded before for specialisation has been deducted. 2. Candidate has produced certificate in which he obtained 64.31%. Hence his 0.12 marks has been increased in marks of post graduation. Hence his new marks is 24.52 instead of 24.40.
