Hence effective work experience of candidate in managerial capacity is between 16.5.2013 to 12.6.2016, which is just over 3 years. Candidate does not have requisite managerial experience. Hence candidature of candidate stands rejected.</p> <p>Secondly, the candidate has falsely claimed that she had completed her MBA in 2009, but as per the documents submitted by her it is apparently clear that she has completed her MBA course in April 2011. In this way regular MBA course and experience as HR executive are coinciding, which is not possible under any circumstance. Hence as per the condition mentioned in Para 12, sub para 7 of RFP, because of false claim of candidate for experience, her candidature has been rejected too.</p> <p>Thirdly, candidate's marks sheet of MBA needs further verification from the concern institute because of inherent ambiguity. She had passed 3rd &amp; 2nd semester prior to 1st semester. Similarly she has qualified many papers in many semester in her 5th attempt. For this a memo is being sent to the concern institute.</p>	Rejected
